

VOLUNTEERS NEEDED!

Road Crew

The road crew meets Wednesday mornings in late Spring. They fix potholes, failing roads and keep the roads widened for traffic. They work with road base (rock), cut back (asphalt), sealing (slurry), sand, large equipment and hand tools.

Snow Plow

The snow plow drivers are on an as needed basis all winter long, typically immediately following a snowfall. There are 4 trucks on a rotating basis clearing roads from snow and keeping the roads safe for travel.

Administrative

Administrative needs are required on an occasional basis. Folding/stuffing envelopes, admin needs, paperwork, counting ballots, etc.

Special Events

Annual meeting, July 4th parade and picnic, special parties, emergency needs, etc. It could be anything!

Brushing Crew

The brushing crew meets weekly on Tuesday mornings in late Spring. Cut brush from road edge, trim down hanging limbs ahead of the cleaning crew on a planned route. Crew comes behind and picks up all trimmed limbs, removes brush, chips and blows off roadway.

Park & Pond

The park & pond crew meet weekly for a few hours on a Thursday morning in the late Spring. They clean brush, chip fallen limbs, trim overgrowth of grass and trees and pull weeds.

Board Positions

Each June 3-4 board positions are elected (2 year term). Every year a President and Vice President are elected. The board meets bi-monthly for public meetings plus 1 annual public meeting. Includes record keeping, CC&R knowledge, various agenda items, etc.
